

CALL FOR PAPERS

The 14th Oligo Workshop
June 10-12, 2026

The **Department of Economics and Management of the University of Pisa** is pleased to host the Oligo Workshop 2026.

The keynote lectures will be given by

Paul Belleflamme and Vasiliki Skreta

Interested researchers and Ph.D. students are cordially invited to submit papers to be considered for the program. Please submit your paper by **January 24, 2026** at <https://oligoworkshop2026.ec.unipi.it/>

Submissions from all areas related to microeconomic theory are welcome, including (but not limited to):

- Algorithmic pricing
- Auctions
- Collective decision making
- Collusion, cartels and mergers
- Contests and tournaments
- Dynamic models and timing
- Economics of blockchain
- Environmental industrial economics
- Experimental and behavioral industrial economics
- Imperfect competition
- Platform competition
- Information economics
- Institutional design
- Market design
- Mechanism design
- Networks
- Price competition
- Procurement
- Product differentiation
- Quantity competition
- R&D
- Spatial competition
- Two-sided markets

Each presentation will be followed by a short discussion. Participants are expected to discuss one paper in their field of interest.

Authors of accepted papers can expect to be notified by mid-March.
